# Planning for the future

- The importance of Planning
- Club Master Plan (5-10 years)
- Control of club property
- Maintaining club property
- Plan based on need not availability of funding
- Development focussed group of people

# Planning for the future

- Partnership with stakeholders
- Funders and charging property
- Conditions of award
- Compliance with regulations
- Reporting spend/progress
- Statutory consents
- VAT, Rates and additional costs

# Planning for the future

- Planning template is critical
- Assess your needs
- Assess your site(s)
- Decide what the club needs
- Focus on S.M.A.R.T objectives of good planning
- Get professional advice (Design Team) early BUT not too early
- Consider statutory approvals required and plan to satisfy same

# Planning for the future

- Project Management is crucial
- Assess the costs and have a cost/funding plan
- Plan the work on basis of affordability
- Procure the contracts in a compliant fashion
- Manage the contracts appropriately
- Project completion and sign off
- Maintenance and Monitoring
