LEABHARLANN AN CHAIRDINÉIL TOMÁS Ó FIAICH, ARD MHACHA, 13-14 MÁRTA 2009

Is leabharlann neamhspleách í Leabharlann agus Cartlann Chuimhneacháin Tomás Ó Fiaich, a osclaíodh i 1999. Coinnítear leabhair agus páipéir phearsanta an Chairdinéil Uí Fhiaich nach maireann sa leabharlann, agus bailítear agus caomnaítear míreanna inti a bhaineann leis an chúig ábhar is mó ina raibh suim mhór aige: stair eaglasta, stair na hÉireann, diaspora na hÉireann, an Ghaeilge agus spórt na hÉireann mar aon leis na cluichí Gaelacha. Is í Leabharlann agus Cartlann Uí Fhiaich an taisclann is cáiliúla i gCúige Uladh ó thaobh ábhair a bhaineann le stair na gcluichí Gaelacha de, agus tá sé mar chuspóir ag an scéim for-rochtana (a fhaigheann tacaíocht ó Chiste Chrannchuir na hOidhreacht) na bailiúcháin seo a chur os comhair an tslua is mó agus is féidir.

The Cardinal Tomás Ó Fiaich Memorial Library and Archive is an independent library opened in 1999. Originally built to house the books and personal papers of the late Cardinal Ó Fiaich it now collects and preserves material relating to the his five principal areas of interest, church history, Irish history, the Irish diaspora, the Irish language and Irish sport, particularly Gaelic games. The Ó Fiaich Library and Archive is Ulster's foremost repository for material relating to the history of Gaelic games and the Heritage Lottery Fund supported outreach programme aims to bring these collections to the widest possible audience.
